Suggestions for improvement

We value your inputs on the course, on the infrastructure, teaching learning environment and improving the employability of our students. Please put down your suggestions below!

11. Regarding the course

Course was comprehensive.
Suggestions: To emphasize on currently used techniques/materials
→ change at university level required.

12. Regarding the infrastructure

→ Satisfactory

→ Exposure to newer equipment such as CBCT, Digital OPQ, Laser RVG, Research microscope is helpful for practice.

13. Regarding the quality of learning and assessment

Good. Assessment is transparent.

14. Regarding improving the employability of our students

Introduction ^{of} career guidance programmes & programmes on setting up a clinical practice ~~to~~ has been helpful.

DA Pandu Memorial RV Dental College

Employer feedback form on dental curriculum at D A Pandu Memorial R V Dental College & Hospital

Dear Doctor

You are currently employing faculty/clinicians who passed out from D A Pandu Memorial R V Dental College & Hospital, Bengaluru. You are the important end users of this curriculum and your feedback will help the faculty and administrators to take required corrective measures to ensure quality in teaching. Please provide an honest, impartial feedback with constructive suggestions. The feedback is anonymous and confidential.

1. Currently I havenumber of faculty/clinicians who are RV alumni employed with me
 - 1
 - 2
 - 3
 - 4
 - 5
 - More than 5

2. How was your experience working with our alumni?
good

3. How was the skill sets of our alumni in comparison with alumni from other institutions?
skill sets of alumni are definitely superior to skills of other alumni

4. What is your opinion on the current dental curriculum and its impact on the employability?
Current dental curriculum covers most aspects but some more stress on implantology & endodontics may make them more confident while treating patients

5. Any suggestions/ feedback to enhance the quality of curriculum implementation at RV Dental College?
At internship level more exposure to advanced techniques can be provided

Prakash
Principal

D.A.P.M.R.V. Dental College
