Date: 17/02/21

## Report of Follows protocol to measure student achievement for the year 2019-2020:

The Institution follows protocol to measure student achievement every year.

- Academic performance in internal assessment is taken into consideration as measurable criteria to identify advance learners also and a student with score above 70<sup>th</sup> percentile is identified as an advance learner.
- Completion of the pre clinical or clinical quota of work which has been specified by the University much before time than the other average student.
- Postgraduates are assessed by all the staff members of the respective departments through evaluation forms. Each and every academic activity such as seminar presentations, clinical case presentations, journal club and so on. In addition, regular assessments are carried out in the form of monthly tests and annual examinations. Postgraduates also maintain daily and university log books which reflect their day-to-day activities.
- Measures are taken to improve the knowledge and skills of advanced learners with special assignments and they are encouraged to take part actively in quizzes, competitions and seminars.
- Students selected at institution level are encouraged to participate in State and National level conferences and competitions. They are also motivated and guided to conduct short term projects to develop research temperament.
- Postgraduates are deputed to higher centers of learning such as NIMHANS, IISc, KIDWAI institute of oncology, St John's hospital for a better exposure to various aspects of the specialty.

## Student participation details and outcome records can be assessed/ obtained through QUIKLRN

- The institution has deployed a technology-enabled teaching-learning platform, **QUIKLRN**, which is based on the outcome-based education framework.
- Outcome-based learning platform – Quiklrn is designed on Outcome-based education framework which helps the faculty to enhance the teaching-learning using tech-enabled academic processes. Quiklrn Learning / Academic Management system helps to implement the following key aspects of OBE system
  1. Student- Centric Learning – helps to improve the engagement and track the participation of every student in the courses. The platform helps to bring in
    - Participatory Learning
    - Problem-solving methodologies
    - Project-based learning
    - Flipped Classroom
  2. Independent learning – The platform provides a conducive learning environment for
    - Self-directed learning
    - Ways to provide additional course material.
    - Explore real-world applications and Industry readiness
  3. Address student diversity – The platform helps to identify the weak student early based on their learning behavior and help them improve their capabilities
    - Identify advanced and slow learners
    - Multiple Assessment methods.
    - Tracking learning outcomes
  4. Continuous Improvement– The platform tracks the course delivery and learning outcomes. These provide crucial inputs for the functioning of the IQAC teams
    - Feedback capture.
    - Identify gaps in course delivery
    - Mentoring system to assist the students.
