speciality course after a periodic inspection to ascertain the BDS requirement by DCI in all aspects.

- (2) The maximum number of students for a postgraduate dental course, who can be registered in any recognised department, for training for the award of postgraduate degree or diploma by the affiliating university, shall be determined by the facilities available in the department in terms of infrastructure, teaching staff and clinical teaching material. However, to start with a maximum of 3 P.G. Students will be permitted.
- (3) Every student, selected for admission to a postgraduate dental course in any of the dental institutions in the country, shall possess recognised BDS degree or equivalent qualification and should have obtained Registration with any of the State Dental Councils or should obtain the same within one month from the date of his admission, failing which the admission of the candidate shall be cancelled;

Provided that in the case of a foreign national, the Dental Council of India may, on payment of the prescribed fee for registration, allow temporary registration for the duration of the postgraduate training restricted to the dental college/institution to which he is admitted for the time being exclusively for postgraduate studies;

Provided further that temporary registration to such foreign national shall be subject to the condition that such person is duly registered as dental practitioner in his own country from which he has obtained his basic dental qualification and that his degree is recognised by the Dental Council of India and corresponding dental Council or concerned authority and concerned university and M's of External/Home Affairs have no objection for granting admission in India.

- (4) The students undergoing postgraduate courses shall be exposed to the following:-
- Basics of statistics to understand and critically evaluate published research papers.
 - Few lectures on other type of exposure to human behaviour studies.
 - Basic understanding of pharmaco-economics.
 - Introduction to the non-linear mathematics.

STAFFING PATTERN FOR POSTGRADUATE DEGREE PROGRAMME

STAFF:

a). To strengthen and maintain the standards of postgraduate training, the council recommends the following minimum faculty requirements for starting and continuation of postgraduate training programmes. Department with one Professor, two Readers, One Lecturer will make a unit and permitted to have three MDS admissions. For each seat of P.G. Diploma course one additional reader is required. Any increase of admissions will be based on the same pattern. Taking into consideration the training requirements in terms of infrastructure and clinical material the Council recommends a maximum of three units in any postgraduate degree department. At a time, maximum 9 P.G. Students in one speciality can be enrolled in all 3 years.

b) A Department, which does not have the above staff pattern, shall not start a postgraduate course in that speciality.
