Notes on accounts for the year ended 31st March, 2020

1. Basis of Preparation of financial Statements

The financial statements are prepared in accordance with the Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis of accounting.

2. Use of Estimates

The presentation of financial statements is in conformity with the generally accepted accounting principles which require estimates and assumption to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual result and estimates are recognized in the periods in which the results are known/materialize.

3. Revenue Recognition

- a. Revenue arising from tuition fees collected from students and fee received for pursuit of other curriculum activities are recognized over the period of instruction.
- b. Interest Income is accounted on time proportion basis.

4. Property, Plant & Equipment

Property, plant and equipment are tangible items which are stated at cost less accumulated depreciation and impairment losses, if any. Costs include all expenses incurred to bring the assets to its present location and condition. Direct costs are capitalized until fixed assets are ready for use.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately.

5. Depreciation

Depreciation on Property, plant and equipment is provided under the Written Down Value Method at the rates specified under the Income Tax Act, 1961.

6. Government grants and subsidies:

Grants and subsidies from the Government are recognized when there is reasonable assurance that (i) the company will comply with the conditions attached to them, and (ii) the grant / subsidy will be received.

Where the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of income and expenditure over the periods necessary to match them with the related costs, which they are intended to compensate.

Where the grant relates to an asset, it is recognized as deferred income and released to income in equal amounts over the expected useful life of the related asset.

RASHTREEYA SIKSHANA SAMITHI TRUST
DAPM R V DENTAL COLLEGE
J P Nagar, Bangalore

7. Taxes on income

The Trust and its institutions are recognized as a Charitable Institution under section 12A of the Income Tax Act 1961, the income of which is exempt from tax subject to certain conditions. Therefore, provision for income tax is not provided for.

8. Foreign Currency Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing at the time of the transactions. Outstanding at the Balance sheet date are restated at the year end rates.

9. Provisions, Contingent Liabilities and Contingent Assets:

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an out flow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

Contingent Liabilities are not provided for and are disclosed by way of notes.

Contingent assets are neither recognized nor disclosed.

Provisions, Contingent liabilities and Contingent assets are reviewed at each Balance Sheet date.

10. Previous years figures have been regrouped/reclassified wherever necessary, to conform to current years presentation.

Notes on accounts for the year ended 31st March, 2019

1. Basis of Preparation of financial Statements

The financial statements are prepared in accordance with the Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis of accounting.

2. Use of Estimates

The presentation of financial statements is in conformity with the generally accepted accounting principles which require estimates and assumption to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual result and estimates are recognized in the periods in which the results are known/materialize.

3. Revenue Recognition

- a. Revenue arising from tuition fees collected from students and fee received for pursuit of other curriculum activities are recognised over the period of instruction.
- b. Interest Income is accounted on time proportion basis.

4. Property, Plant & Equipment

Property, plant and equipment are tangible items which are stated at cost less accumulated depreciation and impairment losses, if any. Costs include all expenses incurred to bring the assets to its present location and condition. Direct costs are capitalized until fixed assets are ready for use.

Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately.

5. Depreciation

Depreciation on Property, plant and equipment is provided under the Written Down Value Method at the rates specified under the Income Tax Act, 1961

6. Government grants and subsidies:

Grants and subsidies from the Government are recognized when there is reasonable assurance that (i) the company will comply with the conditions attached to them, and (ii) the grant / subsidy will be received.

Where the grant or subsidy relates to revenue, it is recognized as income on a systematic basis in the statement of income and expenditure over the periods necessary to match them with the related costs, which they are intended to compensate.

Where the grant relates to an asset, it is recognized as deferred income and released to income in equal amounts over the expected useful life of the related asset

7. Taxes on income

The Trust and its institutions are recognized as a Charitable Institution under section 12A of the Income Tax Act 1961, the income of which is exempt from tax subject to certain conditions. Therefore, provision for Income tax is not provided for.

RASHTREEYA SIKSHANA SAMITHI TRUST
DAPM R V DENTAL COLLEGE
J P Nagar, Bangalore

8. Foreign Currency Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing at the time of the transactions. Outstanding at the Balance sheet date are restated at the year end rates.

9. Provisions, Contingent Liabilities and Contingent Assets:

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an out flow of resources will be required to settle the obligation in respect of which a reliable estimate can be made.

Contingent Liabilities are not provided for and are disclosed by way of notes.

Contingent assets are neither recognized nor disclosed.

Provisions, Contingent liabilities and Contingent assets are reviewed at each Balance Sheet date.

10. Effects of changes in accounting policy from Cash system of accounting to mercantile system of accounting.

During the year the Trust & its institutions have changed the method of accounting from cash system of accounting to mercantile system of accounting. Due to the change in the method of accounting during the year the expenditures of Rs. 63,83,492/- have been overstated in the Income & Expenditure a/c.

11. During the year the Trust has introduced SAP ERP system software for all the institutions of the Trust. Due to the introduction of SAP during the mid year there were certain challenges faced in implementing SAP system during the migration stage. Also, due to introduction of the architecture of profit centers in SAP which was not clearly understood by users of SAP system certain entries were not correctly reflected in the books of accounts. There were also certain difficulties in reconciliations & inter unit balancing. The errors came to light after detailed examination of the books of accounts & the errors are now rectified.

12. Previous years figures are not comparable due to the change in the method of accounting.
