CDE PROGRAMME NEW VISTAS IN ORTHODONTICS

26th June 2015

Dr Nanda Kumar J, obtained his BDS from GDC, Bangalore, MDS from GDC, Hyderabad. He went on to obtain his fellowship in Orthodontics, from University of Connecticut, USA, under the able guidance of Dr Ravindra Nanda. He has also completed his M Dent Sc, from the same University in 2014. He is also a 'Diplomate' of American Board of Orthodontics.

Currently he is a faculty in the Division of Orthodontics, University of Connecticut USA.

In addition to his teaching appointments, he is a sought-after speaker and has conducted many CDE programmes. He is also an active researcher and has chaired sessions at IADR annual meets, and is a reviewer for international journals.

His clinical and research accomplishments have been well published in international journals of repute. He has co-authored chapters in well known text books like, 'Biomechanics and Esthetic Strategies in Clinical Orthodontics' and 'Cranio facial growth series monographs' along with Dr Ravindra Nanda and Flavio Uribe

10/02/2017

REPORT

The Department of Oral & Maxillofacial Surgery, D A P M R V Dental College had organised an EXPERT LECTURE on "IMPLANTOLOGY – CASE SELECTION" on 7th February 2017 in the second Floor Auditorium of our esteemed institution.

Dr. Suvama Nene, a Renowned Implantologist was the invited speaker and she delivered a knowledge packed lecture on "CASE SELECTION IN ORAL IMPLANTOLOGY".

The programme was concentrated on the Faculty, Postgraduate Trainees and Interns to enlighten them on various aspects of selecting cases for dental implants. The programme witnessed a vast number of more than 100 enthusiastic participants.

A positive feedback was obtained from the participants and the programme was concluded successfully.

To,

The Principal

DAPMRV Dental College, Bangalore

Dear Sir,

Subject: Report on the CDE Program Conducted on 17.08.2017

A CDE Program was conducted by DAPMRV Dental College in association with AAID Study Club on 17.08.2017. It was a one day program, which started with an inauguration ceremony at 9:30 am, followed by the lecture (in the form of power point presentation and videos). The program ended at 4:30 pm.

The speaker was Dr Adam Foleck, DMD, Secretary of the American Academy of Implant Dentistry. He enlightened all the delegates on the topic "Advanced Digital Dentistry-Diagnosis to Treatment Planning".

The speaker shared his expertise on the usefulness of the digital world in dentistry, with particular emphasis on guided implant surgery and prosthesis. The lecture was extremely beneficial to the faculty, private practitioners, PG students and interns. The challenges encountered by the dentist in routine practice and the application of digital dentistry in finding solutions was discussed.

The total number of registrations was 290, which included Professors, Heads of Departments, senior faculty, practitioners, Post Graduate students of our college and various other colleges and AAID members.

Thank you for your support

Yours Sincerely,

Principal

Department of Oral Medicine and Radiology
Report of CDE program conducted

A CDE program was conducted by The Department of Oral Medicine and Radiology on 17th October 2018.

Prof. S. Vijaya Raghavan, Professor, Bharathi University, Chennai, delivered a lecture on the topic "Recent advances in Probiotics in clinical practice"

- ❖ Prof. S. Vijaya Raghavan was welcomed by Dr. Revan Kumar Joshi from the department of Oral Medicine and Radiology. The audience comprised of faculty, students and interns
- ❖ The intern raised important queries regarding the use of [probiotics in different clinical settings. Prof S. Vijaya Raghavan patiently answered all the queries and encouraged the students to take up research in the filed of Probiotics and health.
- ❖ 40 participants attended the program.
