Dear members,

Rajiv Gandhi University of Health Sciences is happy to nominate you as a member of the University NSS advisory committee.

A meeting of the University NSS advisory committee is convened on Thursday 12th March 2015 at 3:00 PM at Board room of RGUHS, Bangalore. You are requested to make it convenient to attend the above meeting and contribute to preparation of action plan for this year NSS activities.

The theme selected for this year NSS activities revolves around anti tobacco & HIV prevention awareness activities, health education & awareness. As you might be aware that University NSS volunteers strength is around 17,500 students studying in various affiliated health sciences institutions of RGUHS. Keeping this in mind you are requested to help us develop a concrete implementable action plan with appropriate time bound monitoring indicators for the above activities.

We hope to bring a small change in the above fields based on the action plan developed with your consultation. Kindly attend the meeting without fail.

Thanking you,

Yours faithfully

Our institution underwent a project "Sustainable Campus- Microgrid Feasibility Study" headed by Ms Geethalakshmi from TATA Consulting Engineers and students from RV college of engineering. The faculty, engineer and students from our institution co-ordinated in the survey by providing with the information on sewerage system, waste management, water output and pertaining to microgrid implementation at our campus.

The microgrid feasibility study included the following activities

1. Identification of existing generation sources and its operating profile
2. Identification of existing renewable energy sources
3. Viability study for battery energy storage to improve the power availability
4. Arrive at optimum energy mix and recommendation of generation schedule
5. 1st order cost estimation and payback period
6. Documentation of the analysis and recommendation

Water Audit included water consumption (potable and non potable), rain water harvesting, recycle and reuse of water, water tariff, major consumers in campus. Solid waste included information on any management available and the types of waste.

The project was planned for three months, during which the participants from the three organisations worked in coordination for better tomorrow.

Swatch Bharath Abhiyan:

- Swatch Bharath Abhiyan is aligned with activities such as plastic free campus initiative and clean campus initiative.

- Fun activities like ‘Dress from scrap’ competition during cultural fest and E-poster competitions ‘Novel ideas to reduce plastic usage in dentistry’ help inculcate social responsibility in students.

Report of World No Tobacco Day Celebration

Partners: Dept. Of Public Health Dentistry, Dept. Of Oral Medicine and Radiology, Dept. Of Oral Pathology, IDA Bangalore Branch, Indian association of Oral Pathologist & NSS Unit DAPMRVDC.

As per Dental Council of India Recommendation

BACK GROUND OF THE PROGRAM:

- According to WHO, tobacco use kills more than 7 million people around the world each year, and that number is predicted to grow unless anti-tobacco actions are increased. The World No Tobacco day focus is on to create tobacco free environment by helping people to quit tobacco, Enforcement of comprehensive bans on tobacco advertising, promotion, and sponsorship etc. For all these changes to occur there should be effective anti tobacco campaigns that will educate the public about the harms of tobacco use and secondhand smoke exposure.

ABOUT OF THE PROGRAM:

- Health professionals are *agents of change* for health seeking behaviour and healthy life style. We had organized 2 programs along with Oath taking ceremony.
 1. **Collage Competition:** This program was organized on Thursday 30-05-2019 with a aim of exploring the artistic skills of health care professionals in delivering health related information to motivate audience to refrain them self from tobacco. (Details of the program and Photographs attached as annexure)
 2. **Talk: ' Tobacco A Sinister Devil'** by Dr. B. V. Subhash, MDS PhD, Reader, Dept. of Oral Medicine and Radiology , DAPM RVDC on Friday 31-05-2019. (Details of the program and Photographs attached as annexure).

- Skin donation and hepatitis awareness walkathons was organized in collaboration with Rotary Midtown and RV Aster Hospital respectively. (2019)

Walkathon by Rotary Bangalore Midtown on 9th June 2019

About the event

To create awareness about skin donation, the Rotary Bangalore Midtown, in association with Prestige Group and Ashirvad Pipes, had organized a 5 km walkathon on June 9 from St. Joseph's Indian High School ground at 6.30 am.

Laxmi Agarwal, an acid attack survivor, had also participated, who is associated with the Rotary Bangalore Midtown as the official Cause Ambassador for skin donation.

Skin Bank's intention is to save thousands of burn and trauma victims but also to relieve the excruciating pain that these victims suffer otherwise as a result of burnt skin and underlying tissues. Rotary Skin Bank is the first and the only Skin Bank in Karnataka.

More than 10000 people participated in the event. Students and staff from DA PM RV Dental College, Bangalore participated in this walkathon and contributed to the success of the event.

- Elders day initiative by the trust to distribute free dentures for the elderly.(2017)

WORLD ELDERS DAY – 2017

The Department of Prosthodontics, DAPMRV Dental College, Bangalore in association with the Bangalore Branch of the Indian Prosthodontic Society celebrated International Elders day on 9th October 2017 in the mini auditorium.

We had about 45 senior citizens who actively participated in this program.

The program started with an invocation song which was followed by brief presentations on 'nutrition in elderly patients' and 'maintenance of dentures'. An informative lecture cum demonstration on 'Yoga for the Elderly' was also arranged. The patients were very enthusiastic about the same.

'All work and no play makes Jack a dull boy'. Keeping this in mind a few simple games were organised for our senior citizens.

Feedback from the patients was taken in a bid to improve our services.

Refreshments were served after the program.
