"INTERNATIONAL ORAL & MAXILLOFACIAL SURGERY DAY - 2019"

The Department of Oral and Maxillofacial Surgery, D A P M R V Dental College and Hospital in coordination with the Association of Oral and Maxillofacial Surgeons of India (AOMSI) conducted a "Max Fac WALKATHON" for "ROAD SAFETY AWARENESS" on the 13th of February 2019, on the occasion of "International Oral and Maxillofacial Surgeons Day", Golden jubilee celebrations.

A poster competition titled 'Road Safety Awareness' was conducted in the college for all the interns and postgraduates. A total of 30 students participated in the competition and walk along with the staff headed by Dr. Sunil Vasudev. The rally started from R V Dental college, with students carrying posters and banners portraying Road Traffic Accidents (RTA's) and role of Oral Surgeons and reached up to Kempegowda Majestic Metro Station, where students from various other dental colleges joined us and had a show off posters on road and also encouraged people to wear helmets and seat belts on road. We all interacted with the common public, autorickshaw drivers, policemen and people commuting by two-wheelers and created awareness among the public regarding the safety measures to be followed by wearing helmets and seatbelts. At the end, there was a flash mob performance by the students and the response was well received.

Thus, the day concluded with a message to the society about their personal safety on roads and also the awareness regarding the vital role of our speciality in the health field and the services provided by the health professionals.

We thank our Principal Dr. Asha Iyengar for giving us permission and supporting us to conduct the event and making it a grand success.
