Sub: Report of the Ethics and Professionalism workshop for postgraduate students on 20.2.19

Respected Madam

At the outset, the organizing committee would like to thank you for the permission and support extended to conduct the Ethics and Professionalism workshop for the first year postgraduate students. A total of 28 students benefited from the program.

The students have identified the various aspects which facilitated their learning process and have requested for more such training programs which focus on soft skill development and patient management. Please find attached the detailed report from each session.

We are looking forward to your feedback and continued support in conducting similar programs benefitting the students and faculty alike in the times ahead.

Thanking you once again,

Dr. Hanuman AG
