VISION

Single window delivery of total oral healthcare needs.

Total quality management in service and education.

Unique work culture in alleviating human oral sufferings

*To train general, specialized and allied professional personnel to meet regional
and national oral health care services.*

Work relentlessly to contribute to global oral health care knowledge and skills.

*Be efficient, effective, community acceptable and excel
in service, education and research.*

To impart knowledge and interact with organizations of similar interest.

Fostering global competencies, inculcating value system among learners.

Promote use of technology of relevance.

*To induce paradigm shift in community that many oral diseases are preventable,
curable and treatment is affordable.*

Reach the unreachable with awareness; education and service

Serve the underserved.
