Sub: Report of the "Orientation to Mentoring" Faculty Development Program

Respected Mam,

The faculty development program on "Orientation to Mentoring" was successfully conducted on the 27th of February, 2020. Dr. Seema Mehrothra, Professor, Positive Psychology Unit, NIMHANS conducted the program. Twenty of our faculty participated in this hour long session.

The resource person introduced us to what mentoring is all about, the benefits of mentoring and how to and how not to mentor students. It was a very interesting session and the participants felt that a 2 day workshop would be beneficial to all.

The resource person was picked up and dropped back to her institution in person and Rs.410 was spent towards the dry fruit box and refreshments.

Thank you for giving the support to organize this program.

Yours sincerely

Dr. Jyotsna S
Reader
Dept of Public Health Dentistry

Brief about Dr. Seema Mehrotra

Dr. Seema Mehrotra trained as a clinical psychologist at the National Institute of Mental Health and Neuro Sciences, Bangalore and went on to complete her PhD work in 1996 from Nagpur University. Her PhD work was situated at the interface between psycho-oncology and psychology of well-being.

She served at faculty positions in Clinical Psychology at Kasturba Medical College, Manipal for almost a decade before joining NIMHANS as a faculty in 2002.

She currently serves as Professor of Clinical Psychology at NIMHANS, Bangalore.

Her responsibilities entail being in charge of Clinical Psychology services of an adult psychiatry unit, coordinating the activities of the Positive Psychology Unit and serving as a consultant at the NIMHANS Centre for Wellbeing (NCWB). She runs a positive mental health clinic called Flourish at NCWB.

Dr. Seema Mehrotra has about 25 years of clinical, teaching and research experience in the field of Clinical Psychology. Her clinical work spans a gamut of psychological interventions suitable for adults with diverse mental health issues.

She received Prof Anima Sen Award from IAAP and more recently LGP Achar Memorial award for contributions in the field of psychotherapy in 2018 from Indian Psychiatric Society Karnataka Chapter.

She has developed preventive and promotive intervention program modules for young adults in the community.

She has acted as primary supervisor of research at M Phil and PhD levels for more than two dozen scholars and has led research projects funded by ICMR, ICSSR, CSIR and Microsoft Research India.

She has published papers in national and international peer reviewed and indexed journals and authored chapters in books.

Her areas of research include youth mental health promotion, application of positive psychology using a public health framework, adaptation to major life events, intentional self-development and emotional regulation.

She has led projects on development of mental health apps on monitoring well being and self-care for depression. Currently, she is collaborating with Microsoft Research India and International Institute of Information Technology for developing an app on breaking barriers to help seeking for common mental health issues.

Basic Course in Educational Methodology

Purpose

The Basic Level of Training shall orient the participants on the need for formal training in educational methodology, so as to enable them to visualise their role as teacher. This will also provide them with a roadmap for career development in the academic domain.

Program Objectives

After completing the Basic Course in Educational Methodology, the participants will be able to –

- Justify the need for faculty training in educational methodology.
- Define education.
- List components of education.
- State the three domains of Bloom's Taxonomy.
- Identify the predominant domain in the given objectives.
- Discuss Gilbert's hierarchy of educational objectives.
- Illustrate the prioritisation of educational objectives.
- Explain the levels of educational objectives.
- Explain the principles of adult learning
- Identify the commonly used teaching – learning methods.
- Describe the principles of educational communication.
- Name the commonly used non-projected teaching – learning media.
- Recall the outline of lesson plan.
- Explain the principles of student assessment.
- Indicate suitable assessment methods for given situation.
- Present a Micro Teaching Session.

**BRIEF REPORT ON VISIT TO R.V.COLLEGE OF ENGINEERING
ON 22nd MAY 2019**

Dr.Asha R Iyengar, Principal along with 11 faculty members from the Dental departments of our institution visited R.V.College of Engineering on Wednesday the 22nd May 2019 at 10.30am to visit the following department of RVCE:

1. Dept. of Biomedical Engineering
2. Dept. of Instrumentation,
3. Dept. of Biotechnology
4. Dept. of Computer Science &
5. Incubation centre

Mr.Subramaniam, Principal, R.V.College of Engineering gave a brief presentation about the various departments and facilities available in RVCE. Further, the HODs of the above mentioned departments & discussed regarding facilities available in the department and faculty of our Dental departments discussed about the Projects in the areas of interest with the departments of R.V.College of Engineering. The faculty of DAPMRVDC who were present were:

1. Dr.Asha R Iyengar
2. Dr.Suchetha
3. Dr.Praveen
4. Dr.Subhash
5. Dr.Balavikram
6. Dr.Sarita
7. Dr.Sapna
8. Dr.Revan Kumar Joshi
9. Dr.Pavan
10. Dr.Sheela
11. Dr.Chetan
12. Dr. Vinodhini

Principal
D.A.P.M.R.V. Dental College
J.P. Nagar I Phase,
Bangalore - 560 078.

The meeting was very fruitful in terms of exchange of many research ideas. The Principal of RVCE suggested that all dental departments could submit combined Research projects as May to July was ideal time to apply for Research funding from various agencies.

Various health related projects undertaken in the Biomedical department were presented by M Tech students.

The visit enabled the dental faculty to get acquainted with all the equipments available in the various departments of RVCE ^{which} may be used for PG & faculty research .

The RVCE faculty expressed that they would like to use the IRB facilities of RVDC for their projects.

pt of us several HOD needly } at RVDC .
The HODs were appraised by faculty who visited RVCE regarding the visit and they were asked to submit Research proposals to strengthen the collaboration between the two institutions. The IRB Committee Head was asked to take steps for registration of IRB.

Dear Madam / Sir,

It is a pleasure to express gratitude for the support that you have extended to make the Basic Course in Educational Methodology (BCEM) a resounding success.

In order to scale up the program, it is intended to expand the pool of Resource Persons. In this regard, it is proposed to conduct Short Course in Educational Methodology on a fast-track mode.

Details of the proposal are enclosed with this mail.

Please bring the information to the notice of the teachers who have undergone the BCEM, and provide me with the details of the teachers who volunteer for this training.

Hoping for your continued support,

Thanking you,

Sincerely,

—
Munir Ahmed R

No. RGU/RAATI/SCEM/01/2019-20

Date: 11.11.2019

Circular

Greetings from the RGUHS Academic & Administrative Training Institute (RAATI).

At the outset, let me thank and congratulate the colleges, and the institutional heads who have wholeheartedly supported the efforts of University to successfully roll out the Basic Course in Educational Methodology (BCEM). It was only possible because of your vision, support and cooperation.

As you are aware, the task of training all the 20000+ teachers of our affiliated institutions, and maintain a continuity for future human resources requires the next level of leadership – trainers from every region, and from every faculty. They will be able to build the academic environment where quality will be the habit of all our activities.

In this context, the University is planning to conduct an advanced level training for those who have completed the BCEM, so that they qualify to be the future trainers. To facilitate this, a disciplined academic program is proposed in the form of Short Course in Educational Methodology on a fast-track mode.

This Course will be of six-week duration on blended learning mode. The Course has four modules –Basics of education including learning theories; Curriculum Planning and Designing; Teaching – Learning Methods / Media; and, Student Assessment Methods. There will be five-days of face-to-face contact session, which will be conducted as a series of workshops, ranging from five to seven hours per day.

This will be followed by six weeks of reflective learning in their 'home' institution, and submission of assignments for each of the four modules. It might require around 18 hours of learning per week for referring, reviewing, reflecting and writing the assignments. Appropriate support and guidance will be provided through a dedicated mail by expert faculty, so that the distance learning can be made easy.

After satisfactorily completing this course, the participants will be eligible to attend the BootCamp for the screening and selection of Resource Persons to conduct BCEM.

I request your to kindly circulate this information among the teachers of your institution who have completed the BCEM, and are willing to take up the next level of training. It will be helpful for me to know the details of teachers in the template annexed with this letter, so as to reach me by 30th November 2019. This will help me to plan the Contact Sessions, which can even be conducted region-wise, depending of the number of participants from each region.

Please note that there is no course fee.

Please send the details as soon as possible to fdp.rguhs@gmail.com.

Thanking you,

Yours sincerely,

Munir Ahmed R
Director, RAATI.

Date: 29/11/2018

Circular

Rajiv Gandhi University of Health Sciences, Karnataka intends to initiate a massive project for training all the teachers of affiliated colleges in the domain of educational methodology. To fructify this intent, we are in the process of training human resources at the Master Trainer level. In this background, a Boot Camp is being organised at the University from 17.12.2018 to 19.12.2018, so as to empower and capacity-build Master Trainers.

The list of participants for this Boot Camp is selected from among those who participated in the Short Course in Educational Methodology conducted by our University (copy enclosed). Head of the Institution from where the participant is drawn are requested to permit the identified teachers as per the enclosed list to participate in the Boot Camp.

The participants shall be informed to report for the Boot Camp by 10.00 a.m. on the 17th December 2018, at the New Senate Hall, RGUHS, Jayanagar 4th T Block, Bengaluru - 560041. They shall come prepared with the assignments sent to them directly by mail, and also carry either original books or hard copies of the references that are mailed to them.

Please note that the TA / DA / LCA or any remuneration or financial reimbursement will not be admissible by the University. Further, it may be noted that there is no course fee for the program.

For any further details you may contact Dr. Munir Ahmed R, Director, College Development Council, RGUHS on 9448080577 or fdp.rguhs@gmail.com.

PSG-FAIMER REGIONAL INSTITUTE, COIMBATORE

A South Asia Regional Centre for Faculty Leadership Development in Medical Education

19.06.2018

To,
The Dean/ Principal
D.A.Panda Memorial R.V. Dental College & Hospital, Bangalore.

Dear Sir/Madam,

Thank you for permitting Dr. Deepti Vadavi, to attend the second onsite PSG-FAIMER Regional Institute (session 3) program from 15th to 19th June 2018 at PSG Institute of Medical Sciences & Research, Coimbatore. Dr. Deepti has submitted her project poster which reflects the innovative curriculum change initiative she could complete in your institution with your support.

During the session 3 of the program, Dr. Deepti learned about several aspects of medical education, including Good Teaching Practices, Educational Research and program evaluation, leadership and management skills, and value of profession networks. We believe that upon completion of the program, Dr. Deepti will have the capacity to design, implement and evaluate curriculum change, as well as to organize workshops and symposia on medical education for faculty in your institution.

Attached is an outline of "Requirements for Certification for FAIMER Fellowship" which reflects responsibilities expected during the 2 year FAIMER fellowship of Dr. Deepti, which she can fulfill with support from your medical school.

FAIMER is committed to promoting international medical education and building a South Asia regional community of medical educators with the aim of improving healthcare delivery worldwide.

We look forward to Dr. Deepti's continued participation in the program and expect your continuing support to the project directed towards improving students learning. If you have any further questions about FAIMER Institute 2018 or FAIMER, please feel free to contact Dr. Thomas V Chacko, Director, PSG-FAIMER Regional Institute at dthomasvchacko@gmail.com

Yours sincerely,

Dr. Thomas V Chacko, Director

Dr. Sudha Ramalingam, Co Director

cc. Dr. Deepti Vadavi.
