Sub: Report of the colloquium "Learning & teaching Public Health in US- Challenges and opportunities for an Indian Dental Student" by Dr.Nithya Ramesh on 29/8/18

Respected Madam,

At the outset, the department of Public Health Dentistry would like to thank you for the permission and support extended to conduct the colloquium on "Learning & teaching Public Health in US- Challenges and opportunities for an Indian Dental Student" by Dr.Nithya Ramesh for the undergraduate students. A total of 60 students benefited from the program.

A one to one interactive informal discussion was also conducted in the department of Public Health Dentistry for those students who were very interested in pursuing higher education in US. Around 15 students studying in third year, final year and internship personally interacted with Dr.Nithya. Discussions were had about the possible ways to pursue higher education in dentistry and allied health professional fields, course expenditure, and the living experiences along with the cost of living in United States and other countries globally.

To host the program, the expenditure incurred was Rs.1000. This was the expenses towards memento and snacks arranged for the guest and the participants. We are attaching the bills for the same.

This was the good program for the students, as 10% of RV Dental College students every year are planning for the abroad studies. Students who are interested in studying in abroad countries really benefited from this program. We are looking forward to your feedback and continued support conducting similar programs benefitting the students and faculty alike in the times ahead.

Thanking you once again,

Dr. Harikiran A G

August 28<sup>th</sup>, 2018

Dear Sir,

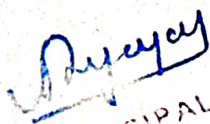

As an alumna of RV Dental College, it gives me great pleasure to be back on campus and interact with my beloved faculty and peers. After graduating from Brown University with an MPH degree, I began working as a Curriculum Specialist at The Dartmouth Institute of Health Policy and Clinical Practice in 2017. At Dartmouth, we are always on the lookout for excellence, and for students who display a strong inclination towards research and critical thinking. I believe that students from RV would be excellent candidates and they would also help us add diversity to the student pool. In our efforts to promote the MPH and MS programs, I would like to speak to interns and other interested students at RV Dental College about the application process and how they could be a part of our program. If you're willing, I would like to give a 30 minute presentation followed by a Q&A session to interested students in the college on August 29<sup>th</sup> 2018. Please let me know if this would be of interest to you.

Thank you.

Sincerely,

**Dr. Nithya Ramesh, BDS, MPH**

## Report of counseling session

Counseling session for the IV BDS students was done on 26<sup>th</sup> November 2019 from 1.30 to 2.30pm by Mrs. Sushma.

The session began with categorizing the various thought that the students have and how it is imperative for the students to focus on the positive ones. The students were also educated about: feelings, attitude, nature and destiny. It was refreshing as the students were made to practice breathing techniques. The counsellor explained the necessity to focus on their goals regardless of the obstacles that may come in their way and also motivated them to pursue the path of righteousness. They were able to take several take home messages from the session.

All in all it was a beneficial session.

### Report of counselling session for the II BDS students

A counselling session for the II BDS students was conducted on 6<sup>th</sup> January 2020 between 2pm to 3pm at Class room 2 by Mrs. Sushma who is a trained Yoga instructor and a Counsellor.

In this session the students were told as to how to focus on the positive aura. They were taught to overcome fear, stress during exams and how to withdrawal all negatives in their life. Since it was an interactive session, the counsellor guided them to follow the right path. Also she taught them about some breathing exercises and some mind reading techniques which were very informative.

Take home messages for the students was as to how to get rid of negatives and focus on positive ones.

All of them enjoyed the session and in future they wanted to attend more of these counselling sessions.
