Program Brief:	<p>The 4th Undergraduate Research Synopsis Exposition 2019 was organized in partnership with NSS, RGUHS and IDA, Bangalore Branch. The program comprised of a short inauguration function, scientific sessions and a valedictory function. The inauguration program began with an invocation and lighting of the lamp. It was followed by an address by the principal Dr. Asha Iyengar emphasizing the need for such programs and motivated the students to actively participate in the same.</p> <p>The two scientific sessions comprised of three synopsis presentations chaired by 2 chairpersons. Each synopsis presentation was followed by a panel discussion between the group members and the audience. The students received valuable suggestions for improvement and way forward for their research projects.. At the end of the 2 sessions, 3 best project proposals were selected by the judges and awarded.</p> <p>During the valedictory function, Guest of Honour Dr. Prakash MS, Principal Dr. Asha Iyengar, past principal Dr. Dinesh MR, Chief Guest Dr. Kumar NC addressed the gathering. The program ended with a vote of thanks by Dr. Harikiran A.G and was followed by lunch for all.</p>

The program successfully aligns with vision and mission of strengthening the research skills among undergraduate students. The dept of Public Health Dentistry thanks the principal, Institution and RSST for providing constant support in organizing the Undergraduate Research expositions.
