Respected Sir,

Subject: Request for permission to begin "Comprehensive Treatment Program" as a part of the Post Graduate Curriculum.

We plan to begin "Comprehensive Treatment Program" as a part of the Post Graduate Curriculum in the Department of Public Health Dentistry. In this regard I would like to request you to kindly permit the P.G students to screen the housekeeping staffs of DAPM RV Dental College & do the treatment as required .The screening [Case history, Indices recording, Caries risk assessment etc.] & the treatment procedures like oral prophylaxis, simple restoration& other primary preventive treatment [as required by the patient & with their consent] will be done on every Tuesday of the week from 9.30 -3.30 p.m.in the Dept. of Public Health Dentistry. For other treatments, the patients will be referred to the respective departments. In case the treatment is not completed on the same day we would request you to kindly allow them for one more additional day (Wednesday) as and when feasible.

In this connection, we request you to kindly inform the supervisor of the cleaning agency to officially depute 2 housekeeping staffs on paid leave basis. Each staff may require 2-8 appointments depending on the treatment procedures. The supervisor to depute the staff for all appointments which will be informed subsequently.

We will be highly obliged if you consider the same & grant us permission.
Thanking you,

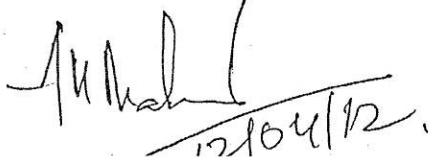

Yours' Sincerely,

Dr. A.G Harikiran.

T. Vasanth
