Low performers (students names)

1. Prashanth Kumar

Measures taken to improve performance:

One to one meeting was held with the candidate and we tried to understand the deficiency in his approach towards the subject. In the process we found that he was unable to recollect information from the chapters he had read. The candidate was counselled about this and he was given small tests wherein he was encouraged to answer limited number of questions from limited chapters. His performance was assessed and suggestions for corrective steps to be taken were given.

He was encouraged to interpret few radiographs and discuss 2 case histories in detail.

High Achievers (students name)

1. Alina Fatma
2. Prathiba

Measures taken to motivate high achievers:

The students were encouraged to take up answering the old question papers and we fine-tuned their skills in answering long essay and short essay questions.

Art of answering the viva questions was discussed with the students.
